The intensive course will provide lessons in small groups, 24 hours a week, for a total of 96 hours.

English language course Certificate: participants will receive a certificate stating the hours of Business English course attended and the level reached.

Internship

Placement: FourStars, on the basis of its know-how in the field of recruitment and placement, will provide you an internship, according to your profile and your expectations. Our network in Hong Kong consists of western and Chinese companies. Our staff, in China as in Italy, is made up of HR Specialists with strengthened experience. They will be the link between you and our partner companies.

Resume and application coaching: our staff will meet you in Skype, providing you with a coaching activity, aimed at equalizing your resume to make it competitive with current trends in

the Chinese market and prepare you for job interviews with hosting companies. This coaching will continue throughout your whole internship by monthly monitoring meetings.

Introduction to the company: before the internship starts, we accompany you to the company to introduce you to the structure.

Networking events and training of career development: we promote events and other activities to enrich your experience during your stay in China. These events are a way to get in touch with other young professionals, both international and Chinese, and to meet new people from different sectors and backgrounds.

Periodic monitoring meetings: as an essential part of our coaching, monitoring and career development, we will meet up with the interns regularly in our offices, to check the internship performance and to verify that the working experience is up to your expectations.

Certificate of internship: at the end of your internship experience, you will receive a certificate attesting the execution of your activity. It will be issued by FourStars China, and will attest the duration of the internship, the working positions held and the acquired skills.
