

INTERNSHIP MASTER PROGRAM

This Program includes:

- A. Language & Culture Training
- B. Internship
- C. Facilities

A. Language & Culture Training

The linguistic and cultural training that will precede the internship within the host company will take place the first two weeks in Shanghai. The Chinese course is a basic course, and includes the rudiments of communication, and should appeal even to those who don't want to learn the language, but want to integrate better in China.

The real cultural mediation nature of the course will cover all aspects, linguistic, touristic, how to approach the business world, contracting, art, etc., it will enable you to achieve a higher level of awareness of the country and to enhance yourselves both professionally and personally.

The two-week training will give you the chance to smoothly get into the Chinese culture, capture its essence and get the basics of the language through specifically designed Chinese lessons, organized seminars and participation in other leisure activities.

Chinese language course: 53 hours of Chinese language for day life for those who choose the 6 months program and 40 hours for the 3 months Program; basic knowledge, shopping, ordering in a restaurant, taking a taxi, asking for directions, using Chinese at work, among other topics.

Seminars: you will attend seminars business oriented given by professionals from both Western and Chinese companies. Topics include: Chinese protocol, dealing with Chinese colleagues and clients, being an entrepreneur in China, the Chinese internet, Chinese political system, negotiating in China: to bargain or not to bargain, among others.

Chinese language certificate: you are going to get a certificate specifying the hours of Chinese you have studied and the level you have acquired.

B. Internship

Internship placement: FourStars find an internship for you in compliance with your profile and your expectations according to his decade of know-how in recruitment and placement. Our network in Shanghai is composed of Chinese and Western companies and our staff, in Shanghai as in Italy, is formed by HR Specialist with extensive experience who will act as an intermediary between you and our partner companies.

Resume and application coaching: we adapt your profile to last trends on the competitive Chinese job market. Our staff in Shanghai will coach you on Skype for the job interview with the potential host companies. The coaching will keep happening in Shanghai through our seminars and events.

Introduction to host company: the first day at the host company, we escort you and make the relevant introductions.

Networking events and career development training: we promote events and other activities to enrich your experience all along your stay in China. These events are a way to get to know other international young professionals, stay in touch with the Chinese professional community and meet new people from diverse industries and backgrounds.

Periodical tutoring: as a part of our coaching and career development service, we call you or meet every month. These meetings will be useful to let us know how the internship is going and how it is fulfilling your expectations.

Internship certificate: you are going to get an official internship certificate issued by FourStars.

C. Facilities

Flights: FourStars will take care of booking and paying for the flights. Departures for UE candidates will be from Milan to Shanghai. Departures for USA candidates will be from San Francisco to Shanghai.

Accommodation support: we will provide you with a Western standard shared apartment. Only running costs are not included.

Welcome pack: we provide a comprehensive pack that includes a prepaid Chinese SIM card, prepaid public transportation card, Shanghai city map, and Shanghai pocket guide including basic language book for your daily life in China.

Airport pick up: we will be waiting for you at the airport upon arrival in Shanghai and escort you to your housing.

Visa assistance for UE candidates: obtaining a Chinese Visa is not an easy matter. We'll provide you with the Visa. All you need is a valid Passport (minimum 6 months with sufficient blank pages when you apply for your Visa).

Visa assistance for USA candidates: we will support and advise you to ensure that you get the relevant Visa. All you need is a valid Passport (minimum 6 months with sufficient blank pages when you apply for your Visa).

Police registration: we escort the candidates to their district's Police Office in order to comply with the current law of foreign people being registered there within the 24 next hours of stepping into Chinese territory.

Bank account opening: in case any student needs to open a bank account we advise about the banking providers and assist them on the opening procedure.

24/7 assistance: we provide assistance during your whole stay in China. You will be able to call us for any question or emergency at any time.

Leisure and tourism activities: we provide additional support to organize leisure activities and tourism, at low cost, to give you the opportunity to discover Shanghai and its surroundings, such as Suzhou and Nanjing, to Beijing or Xi'an, to make your experience the most complete as possible (the costs of these activities are not included).
